

Feliz Navidad! Joyeux Noël! Merry Christmas!

Dear Waldwick Adventist School Family,

Christmas is upon us, unbelievable! It seems only yesterday that we started the school year. This Christmas Play has two objectives. One, is to showcase our students and the other, is to raise funds for the Annual Fund. The Annual Fund, is an annual, recurring campaign that provides unrestricted dollars in support of our curriculum, our teachers and everything that makes Waldwick Adventist School what it is.

Outside of tuition, which provides a large percentage of our operating funds, the Annual Fund plays a major role in securing revenue for Waldwick Adventist School. It is an essential means for donors to provide vital support to our mission “to prepare lives for this world and the world to come.” Gifts to the Annual Fund will support financial assistance and any new programs or improvements that are not part of the budget. Donors name will be placed in the program. Deadline for names to be included in the program is Friday, December 1, 2023.

We hope that you will make a difference for our Annual Fund by securing a sponsor or doing so yourself. Reach out to your family, friends and employers. Imagine what will happen, if every Waldwick Adventist Academy stakeholder, prayerfully participates in some way. Gifts of all sizes are welcome. Thank you for promoting the success our school.
